On July 11 she will visit the Kewaunee Nuclear Power Station, operated by Wisconsin Public Service Co. near Kewaunee. On July 12 she will visit the Point Beach Nuclear Power Station, which is operated by Wisconsin Electric Power Co. near Two Rivers.

The briefing for news media representatives will be at 2:30 p.m., July 12, in the Energy Information Center at the Point Beach Nuclear Power Station. The Point Beach facility is located on Nuclear Road east of Highway 42 and north of Two Rivers.
