NRC AND FPC OFFICIALS TO MEET AT 10:00 A.M. JUNE 19
AT CRYSTAL RIVER TO DISCUSS STATUS OF PROGRESS TOWARD PLANT
RESTART

Nuclear Regulatory Commission officials will meet with Florida Power Corporation management at 10:00 a.m. on Thursday, June 19, to discuss issues related to the company's efforts to ready the Crystal River nuclear power plant for restart.

The meeting will be held in Crystal River at the plant's training center, located on West Venable Street, just off Highway 19, south of town. Turn onto Venable at the Crystal River airport and proceed approximately 1/2 mile to the training center.

The meeting will be open to observation by members of the public, and NRC officials will be available at its conclusion to answer questions from observers who attend.
