NOTE TO EDITORS:

The Nuclear Regulatory Commission's Special Projects Office staff has scheduled the following upcoming meetings on Millstone Station:

- On Tuesday, April 7, the Special Projects Office staff will meet with officials of Northeast Utilities and Sargent and Lundy to discuss the recent modifications to the Millstone Unit 3 recirculation spray system. The 1:00 p.m. meeting will be held at the Leland F. Sillin Training Center at the Millstone site. It is open to the public for observation.
- On Thursday, April 9, the Special Projects office staff will meet with Northeast Utilities officials to discuss the findings of the Independent Corrective Action Verification Program, Tier 1, Out-of-Scope Inspection for Unit 2. The meeting will be open to the public for observation. It begins at 9:00 a.m. in the Training Center.
