NOTE TO EDITORS:

**The Nuclear Regulatory Commission staff has scheduled the following meetings on
Millstone Station**

- On Tuesday morning, November 24, 1998, the NRC staff will meet with officials of
Northeast Utilities to discuss the findings of an NRC evaluation of the Millstone
Employee Concerns Program and Safety Consciousness Program. The
meeting is scheduled to be held from 10:00 a.m. to 12:00 p.m. in Meeting Room 1
at the Millstone Training Center at the Millstone site.**
- Following that meeting, at 1:00 p.m., the NRC staff will meet with NRC and
representatives of Littlefield Associates and Consultants to discuss Littlefield
findings and recommendations regarding the Millstone Employee Concerns Program and Safety
Consciousness Program. NRC also will make a presentation to the NRC
regarding its own assessment of the status of activities performance in those
areas. This meeting also will be held in Meeting Room 1 at the Training Center.**
