FOR IMMEDIATE RELEASE
(Tuesday, January 26, 1999)

NOTE TO EDITORS: AGENDA CHANGE FOR ACRS MEETING

The agenda for the Nuclear Regulatory Commission's Advisory Committee on Reactor Safeguards meeting on February 3 has been changed. The meeting with the NRC Commissioners will be held at 1:00 p.m., instead of 2:00. Preparation of ACRS reports will begin at 3:00 p.m., rather than at 4:00.

The remainder of the meeting is as published in the Federal Register on January 14. Further information can be obtained by calling Sam Duraiswamy, at 301-415-7364.
