NRC ISSUES PARTIAL INITIAL DECISION
ON LOUISIANA ENERGY SERVICES LICENSE APPLICATION

The Nuclear Regulatory Commission's Atomic Safety and Licensing Board has issued a partial initial decision on the application of Louisiana Energy Services for a license to build a uranium enrichment plant in Claiborne Parish near Homer, La. The decision resolves three of the contentions filed by Citizens Against Nuclear Trash seeking to block the license.

The 73-page report is available at NRC Region IV. Copies will be mailed upon request.
