

October 5, 2010

Karen Beckley, Supervisor  
Bureau of Health Protection  
Nevada State Health Division  
1179 Fairview Drive, Suite 201  
Carson City, NV 89701-5405

Dear Ms. Beckley:

Thank you for your letter dated September 1, 2010, in which you submitted clarification of certain comments in State Regulation Status (SRS) Data Sheet, dated July 14, 2010. You requested our review of the entries for RATS ID 1995-3, 1995-7, 1996-1, 2001-1, and 2002-2.

Attached is the comment resolution documenting the results of our review. We agree with your comments regarding the entries for RATS 1995-7 and 1996-1, as noted in items 2 and 3. The SRS data sheet has been revised to reflect this change and is attached. Our comments on the remaining three items are noted in the comment resolution. This letter, including the SRS Data Sheet, is posted on the FSME website: <http://nrc-stp.ornl.gov/rulemaking.html>.

If you have any questions regarding our review, please contact Kathleen Schneider, State Regulation Review Coordinator at 301-415-2320 ([kathleen.schneider@nrc.gov](mailto:kathleen.schneider@nrc.gov)) or Torre Taylor at 301-415-7900 ([torre.taylor@nrc.gov](mailto:torre.taylor@nrc.gov)).

Sincerely,

*/RA/*

Terrence Reis, Deputy Director  
Division of Materials Safety and State Agreements  
Office of Federal and State Materials and  
Environmental Management Programs

**COMMENT RESOLUTION ON SRS DATA SHEET**

RATS ID		TITLE	STATE COMMENT	STAFF RESPONSE
1	1995-3	Low-Level Waste Shipment Manifest Information and Reporting, 10 CFR 20, 61	Nevada states that this regulation addressed in (1) Section 76 of R185-08A, effective May 7, 2010, and in (2) Appendix G to 10 CFR Part 20, as on November 16, 2005, and has been adopted in its entirety in NAC 459.0196.	In our review of Nevada's comment, NRC staff is still unable to find the language that corresponds to Section 2006(a)(1).  If Nevada sends the specific language for Section 2006(a)(1), NRC will conduct a formal review of that regulation under FSME Procedure SA-201, "Review of State Regulatory Requirements."
2	1995-7	Medical Administration of Radiation and Radioactive Materials 10 CFR 20, 35	Nevada states that it has adopted 10 CFR Part 35 as it existed on November 30, 2007, in Section 74 in R185-08A, which came into effect on May 7, 2010.	Nevada is correct in that the SRS data sheet for this RATS ID incorrectly states that there are comments. The SRS data sheet will be corrected to accurately reflect the status of Nevada's regulations for RATS 1995-7.
3	1996-1	10 CFR 71: Compatibility with the IAEA	Nevada states that 10 CFR Part 71, as it existed on November 14, 2007 has been adopted in Section 25 of R185-08A, effective May 7, 2010.	Nevada is correct in that RATS 1996-1 was superseded by RATS 2004-1. Nevada has addressed the requirements of RATS 2004-1 and was notified, by letter dated July 14, 2010, that there were no comments. The SRS data sheet will be corrected to accurately reflect that Nevada has adopted final regulations equivalent to RATS ID 2004-1.

RATS ID		TITLE	STATE COMMENT	STAFF RESPONSE
4	2001-1	Requirements for Certain Generally Licensed Industrial Devices Containing Byproduct Material 10 CFR 30, 31, 32	Nevada stated that it has adopted this regulation and is in full compliance. The only comment is that it is more restrictive than the NRC's.	As noted in All Agreement States letter FSME-07-087, dated September 20, 2007, the NRC will continue to hold compatibility determinations in this area in abeyance until the final rule is published and the Agreement State implementation date becomes effective. NRC staff is tracking all States where there are comments even though the compatibility determinations are held in abeyance. With the issuance of the new "general license" rule and its effective implementation by Agreement States, NRC will supersede the entry for RATS 2001-1 for all States in this situation, including Nevada.
5	2002-2	Medical Use of Byproduct Material 10 CFR 20, 32, and 35	Nevada changed "authorized user" to "licensee," based on NRC's instruction. Please see SRS September 18, 2009, item 11. The terms will be again reversed in the next legislative cycle in 2011-2012.	Nevada made the revision based on previous direction by NRC. NRC staff regrets the error in the September 18, 2009 review and notes through this letter, which will be available to the public, that Nevada will correct this during the next revision of the regulations. NRC will track the comment until Nevada revises its regulation during the next legislative cycle in 2011-2012.

**STATE REGULATION STATUS**

State: Nevada
