WASHINGTON, D.C. 20555-0001

March 15, 2019

The Honorable Salud O. Carbajal  
United States House of Representatives  
Washington, DC 20515

Dear Congressman Carbajal:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter of February 6, 2019, requesting that the NRC hold a public meeting near the Diablo Canyon Nuclear Power Plant to help inform the NRC's work on identifying best practices for establishment and operation of local decommissioning community advisory boards pursuant to the Nuclear Energy Innovation and Modernization Act (NEIMA). The NRC staff is in the process of planning public meetings using the direction provided in the NEIMA regarding selection of meeting locations. We will consider your request for a meeting in San Luis Obispo as we work through the site selection process.

Please feel free to contact me or have your staff contact Eugene Dacus, Director of the Office of Congressional Affairs, at 301-415-1776, if you have questions or need more information.

Sincerely,
