

UNITED STATES  
**NUCLEAR REGULATORY COMMISSION**  
WASHINGTON, D.C. 20555-0001

October 17, 2019

Mr. Dale Patrick, Manager  
Radiation Control Program  
North Dakota Department of Environmental Quality  
918 E. Divide Avenue  
Bismarck, ND 58501-1947

Dear Mr. Patrick:

We have reviewed your email dated June 18, 2019, transmitting the North Dakota enacted legislation in Senate Bill 2327 which transfers the North Dakota Agreement Program from the Department of Health to the Department of Environmental Quality.

As a result of our review, we understand that the enacted Senate Bill 2327 transfers all authority, powers and duties of the Agreement State Program from the Department of Health to the newly created Department of Environmental Quality. The authorities, powers and duties affecting the Agreement State Program were not amended when transferred between the two Departments.

As a result of our review, we have no comments.

With the transfer of authority from the Department of Health to the Department of Environmental Quality, the statutory citation for the Governor's authority to enter into an Agreement has changed. The Section 274b. Agreement between the State of North Dakota and the Atomic Energy Commission (now the Nuclear Regulatory Commission) that went into effect on September 1, 1969, cites Section 23-20.1-05 of Chapter 23-20.1 of the North Dakota Century Code as the authority for the Governor to enter into an Agreement with the Commission. With the transfer of authority, the Governor's authority to enter into an Agreement in the updated statute is now § 23.1-03-10. We bring this matter to your attention if the occasion arises in the future where the State of North Dakota amends the Agreement to either assume or return certain authorities, this would provide an opportunity to revise the citation on the Governor's authority.

The State Regulation Status (SRS) Data Sheet summarizes our knowledge of the status of other North Dakota regulations and legally binding requirements, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the Office of Nuclear Material Safety and Safeguards Web site: <http://scp.nrc.gov/rulemaking.html>.

D. Patrick
