NRC Advisory Committee on Reactor Safeguards Elects 2019 Leadership, Confirms Meeting Schedule

The Nuclear Regulatory Commission Advisory Committee on Reactor Safeguards has elected Peter Riccardella as Chairman, Matthew Sunseri as Vice Chairman and Joy Rempe as Member-at-Large.

The ACRS is composed of individuals with a wide variety of engineering expertise, working independently from the NRC staff on safety issues related to the licensing and operation of nuclear power plants as well as issues of health physics and radiation protection.

The complete listing of the ACRS membership and their biographies is available on the ACRS [webpage](#).

The confirmed ACRS 2019 full-committee meeting schedule is available on the NRC [website](#).
